## BOVEC, Slovenia (1,100m – 2,292 m)

**from €114**

per person for 4 days (Inc. 3 nights - accommodation only)

Bovec in the Soča Valley is a European destination of excellence hosting the highest ski resort, Kanin-Sella Nevea in Slovenia at 2292m. Snow sports enthusiasts will enjoy 30km of natural snow trails which will be supplemented by compact snow on the Italian side. A beginner piste, World Cup piste and many options in between will allow for relaxed and enjoyable skiing for all abilities. The resort is accessible from Ljubljana airport which is 125km away or via Klagenfurt in Austria.

### MountVacation.com observation:

Bovec offers preserved and wild nature, mountains, and the emerald river with its tributaries. The layout of the Bovec basin is very suitable for cross-country skiing. Due to the altitude, the pistes seldom freeze, offering quality skiing on exclusively natural powder snow during most of the winter and enabling skiing far into the spring.
